Where we are to make any of the Services available for you by means of Zoom it will be on the following basis.

2. The technology that We will be responsible for providing

We will subscribe to Zoom and will pay any necessary fees to Zoom to maintain that subscription. It will enable Us to act as "host" and to provide the services to you over the internet via the Zoom facility.

To receive or participate in any of the Services via Zoom you will need to join the respective online session. You will not need to pay a fee or charge to use the Zoom facility.

We do not provide any PC, laptop, tablet, mobile phone or other hardware (“Device”) or any Zoom App or other software for use on or with any devices, nor any internet connection or service or other equipment or facilities necessary to enable you to use Zoom.

3. The technology and other items that You will be responsible for providing

It will be your sole responsibility to ensure that you have access to, and familiarity with all necessary technology so that you can receive and participate in the services via Zoom.

You will need to ensure that you have access to and use the following non-exhaustive list of facilities for this purpose:

- An appropriate functioning device which is adequately charged;
- An up to date Zoom App where applicable. It will need to be downloaded to Your device, and installed and working fully and correctly on Your device, so that You can receive the services;
- Stable, reliable, internet access with adequate speed;

However, we may, if you request it, either before or during any session of the services, and without charge, offer suggestions in good faith to resolve any problem with that technology that you report, but it will not be in the nature of advice to you. We do not therefore take on any responsibility or accept any liability to you if any such suggestion does not help you to resolve any problem or if by following any such suggestion you experience any other problem, loss or damage to any technology or other thing.

We will not be responsible or liable to you if you are unable to access any of the services due to any failure or delay in performing our obligations under the contract resulting from any cause beyond our reasonable control.
